MENS NIKE SPORTSWEAR / HOLIDAY
2017

STYLED BETWEEN FREE-THROWS AND WINTER HIKES.

The Men's Nike Hoodland Suede Shoe treats a casual cold-weather look to hiking boot details. It features a coated suede upper, 2 gilly lacing eyelets at the top, soft, supportive midsole cushioning and a grippy winter-ready outsole.

Water-resistant suede upper for durability and protection.

Midsole cushioning is soft and supportive.

Winterized outsole for surefooted grip.

FEATURES AND BENEFITS

UPPER

- 1 Water-resistant suede upper helps keep you dry.
- 2 Metal gilly eyelets are durable and convenient.
- 3 Collar is padded for cushioning and has an asymmetrical cut for comfortable movement.

MIDSOLE

- 4 Injected Phylon (IP) midsole provides lightweight cushioning.

OUTSOLE

- 5 Waffle outsole made of rubber provides traction and durability.
- 6 Modified herringbone traction pattern at the toe enhances traction.
