*The high spandex content in the fabric gives it a high-modulus quality, similar to fabric used for lingerie, resulting in superior stretch and recovery.*

## FEATURES AND BENEFITS

### FABRIC

- 1 Body: Nylon and high-modulus spandex fabric feature Dri-FIT technology that pulls sweat away from the skin to help keep you dry and comfortable.
- 2 Strap, Center Front and Cup Stabilizers: Polyester knit fabric is less stretchy to help control bounce and enhance vertical and lateral support.

### DESIGN

- 3 Internal, compression-molded foam cups are engineered to encapsulate the breasts for enhanced support, shape and coverage.
- 4 Racerback design allows a full range of motion.
- 5 Adjustable straps with a 3-row hook-and-eye back closure offer a personalized fit.
- 6 Internal seams around the cups are covered with soft binding for a clean finish.
- 7 Soft elastic binding around the edges feels smooth against your skin.
- 8 Soft elastic chest band delivers a comfortable, secure fit.
- 9 Back closure offers an adjustable fit around the chest.
