FEATURES AND BENEFITS

FABRIC

- 1 Main Body: Nike Flex fabric stretches with your body, helping you get the most out of your performance—without getting in your way.
- 2 Liner: Brief liner made from lightweight knit fabric provides breathable support. Dri-FIT technology wicks sweat to help you stay dry.

DESIGN

- 3 Elastic waistband with drawcord stretches for comfort and provides a secure, adjustable fit.
- 4 Side pockets with media pouch provide convenient storage.
- 5 6" inseam length provides coverage without limiting range of motion.
- 6 Mesh side panels provide additional breathability.
- 7 Reflective details are visible in low-light conditions.
